LATINO FAMILY INSTITUTE, INC. FOSTER FAMILY AGENCY CONTRACT COMPLIANCE MONITORING REVIEW

The Department of Children and Family Services (DCFS) Out-of-Home Care Management Division (OHCMD) conducted a review of Latino Family Institute, Inc. Foster Family Agency (the FFA) in July 2013. The FFA has one licensed office located in the First Supervisorial District and provides services to County of Los Angeles DCFS foster children and youth. According to the FFA's program statement, its mission is "to maintain families by using extended family or community resources, to facilitate the reunification of children with birth family members who are able and willing to raise and provide permanent homes for these children when reunification is not possible or in the child's best interest, the Latino Family Institute FFA will have Latino families available and prepare to adopt these children."

At the time of the review, the FFA supervised 12 DCFS placed children in 6 certified foster homes. The placed children's average length of placement was four months, and their average age was four.

SUMMARY

During OHCMD's review, the interviewed children generally reported: feeling safe at the FFA; having been provided with good care and appropriate services; being comfortable in their environment and treated with respect and dignity. The certified foster parents reported they were supported by the FFA staff in their efforts to provide care, supervision and service delivery to the children placed in their homes.

The FFA was in full compliance with 8 of 11 applicable sections of our Contract compliance review: Licensure/Contract Requirements; Certified Foster Homes; Facility and Environment;

"To Enrich Lives Through Effective and Caring Services"

Education and Workforce Readiness; Health and Medical Needs; Psychotropic Medication; Personal Rights and Social/Emotional Well-Being; Personal Needs/Survival and Economic Well-Being; and Discharged Children.

OHCMD noted deficiencies in the areas of Maintenance of Required Documentation and Service Delivery, related to children's Initial Needs and Services Plans not being comprehensive as they did not include all of the elements in accordance with NSP template; and Personnel Records, related to one FFA social worker not having criminal clearances on file.

Attached are the details of our review.

REVIEW OF REPORT

On July 31, 2013, the DCFS OHCMD Monitors, Dario Villamarin and Kong Ng, held an Exit Conference with the FFA representatives, María Quintanilla, Executive Director and Virginia Olivas, Program Manager. The FFA's representatives agreed with the review findings and recommendations; were receptive to implementing systemic changes to improve their compliance with regulatory standards; and agreed to address the noted deficiencies in a Corrective Action Plan (CAP).

A copy of this compliance report has been sent to the Auditor-Controller and Community Care Licensing.

The FFA provided the attached approved CAP addressing the recommendations noted in this compliance report.

OHCMD will confirm that these recommendations have been implemented during our next monitoring review.

**LATINO FAMILY INSTITUTE, INC. FOSTER FAMILY AGENCY
CONTRACT COMPLIANCE MONITORING REVIEW
FISCAL YEAR 2013-2014**

SCOPE OF REVIEW

The following report is based on a "point in time" monitoring visit. This compliance report addresses findings noted during the July 2013 monitoring review. The purpose of this review was to assess Latino Family Institute, Inc. Foster Family Agency (the FFA's) compliance with the County contract and State regulations and included a review of the FFA's program statement, as well as administrative internal policies and procedures. The monitoring review covered the following 11 areas:

- Licensure/Contract Requirements,
- Certified Foster Homes,
- Facility and Environment,
- Maintenance of Required Documentation and Service Delivery,
- Educational and Workforce Readiness,
- Health and Medical Needs,
- Psychotropic Medication,
- Personal Rights and Social Emotional Well-Being,
- Personal Needs/Survival and Economic Well-Being,
- Discharged Children, and
- Personnel Records.

For purposes of this review, six children were selected for the sample. The Out-of-Home Care Management Division (OHCMD) interviewed four children and reviewed their case files to assess the care and services they received. One child was not interviewed due to her young age and one child did not want to be interviewed. During the home visit, the children were observed to be comfortable in the certified foster home and the certified parent was observed to be attuned to the needs of the children. Additionally, four discharged children's files were also reviewed to assess the FFA's compliance with permanency efforts. At the time of the review, no placed children were prescribed psychotropic medication.

OHCMD reviewed three certified foster parent files and three staff files were reviewed for compliance with Title 22 Regulations and County contract requirements. Interviews were conducted with three certified foster parents to assess the quality of care and supervision provided to children.

CONTRACTUAL COMPLIANCE

OHCMD found the following two areas to be out of compliance.

Maintenance of Required Documentation and Service Delivery

- For two children, Initial Needs and Services Plans (NSPs) were not comprehensive as all the required fields/sections were not filled out in accordance with the NSP template.

During the Exit Conference, the FFA representatives stated they were confused as to which fields/sections need to be filled out in the Initial NSP and what sections in the Quarterly report.

It should be noted that the FFA representative attended the OHCMD NSP Training for providers on August 1, 2013 and was made aware of the NSP requirements. The NSPs reviewed were developed prior to the training.

Recommendation

The FFA's management shall ensure that:

1. Initial NSPs are comprehensive.

Personnel Records

- For one FFA Social Worker, although there was a request for a criminal clearance; the live scan results were not on file. OHCMD brought this issue to the attention of the FFA Administrator. Verifications of the criminal clearances were provided to OHCMD.

Recommendation

The FFA's management shall ensure that:

2. FFA Social Workers have results of their criminal clearances on file.

PRIOR YEAR FOLLOW-UP FROM DCFS OHCMD's FOSTER FAMILY AGENCY CONTRACT COMPLIANCE MONITORING REVIEW

The OHCMD's last compliance report dated December 13, 2012, identified two recommendations.

Results

Based on OHCMD follow-up, the FFA fully implemented the two previous recommendations for which they were to ensure that:

- All vehicle maintenance documentation is enclosed in the foster parent files prior to their certification and/or re-certification.
- All two-story certified foster homes have an emergency escape ladder.

At the Exit Conference, the FFA representatives expressed their desire to remain in compliance with all Title 22 Regulations and Contract requirements. The FFA Executive Director and the Administrator will conduct periodic monitoring checks to ensure compliance with the CAP.

MOST RECENT FISCAL REVIEW CONDUCTED BY THE AUDITOR-CONTROLLER (A-C)

**RE: Corrective Action Plan
LFI Review July 2013**

Mr. Villamarin,

Your recent OHCMD review of our agency resulted in some areas that require our attention in improving our compliance with the Department of Children and Family Services county contract. This Corrective Action Plan is designed to address the two areas of concern noted in your review. On 7/30/13, Mr. Villamarin met with LFI Executive Director and Program Manager to address the following findings:

Completion of Initial NSP's: Mr. Villamarin noted that the required fields in the Initial Needs & Service Plans for two recently placed children were not completed in their entirety. Some of the sections on the DCFS Template entitled "Qtrly Only" were not completed in the Initial NSP. On 08/01/13, LFI Program Manager provided the corrective action to social work staff thereby instructing them to complete the full NSP in the initial 30 days of placement. LFI Program Manager, attended the FFA NSP Refresher Training/Panel Discussion on 08/01/13 at Community Care Licensing and will share the information with social work staff.

Personnel Records: Mr. Villamarin noted that the DOJ, CACI, and FBI results/clearances for an employee were not filed in the personnel file. There was documentation that the employee went for the live scan but the results were not filed the employee's file. LFI will implement a policy by which the accounting clerk will implement a tracking system. LFI staff will track the date an employee is sent for fingerprinting, the date LFI receives verification of fingerprinting from the employee, and the date the DOJ, FBI, and CACI results are received and filed in the employee's file. This tracking system will be checked on a weekly basis to ensure that LFI receives all the above-mentioned results in a timely manner. For every new employee, notification of the completion of this process will be emailed to Program Manager.

I appreciate your continued collaborative partnership and honest feedback to improve program services. Please feel free to contact me if you require further action, revisions, or clarifications.

Respectfully,

Virginia Olivas, MSW
